## SCHOOL ATHLETICS CARNIVAL

Many thanks for your understanding with our School Athletics Carnival this year. The event is tremendously well prepared and planned by our PD/H/PE staff. However, as you are aware, our original plans were frustrated through a Council booking error.

This error saw our carnival move from Tuesday 19th May to Wednesday 20th May.

Our direct communication with Blair Oval and Council has seen today's carnival postponed due to the weather. Students are presently engaged in regular lessons and routines and the canteen is open for student use at normal break times.

**Our re-scheduled Athletics Carnival date—which was our original back up day— will be Tuesday May 26th.** ALL students—like every carnival—are expected to attend on that date.

The environmental benefits of our recent heavy rains means that weather may still play a part yet in whether the carnival runs. We remain ready and optimistic that these hurdles will be overcome with fine weather next Tuesday May 26th!

Thank you for your understanding.

Regards,

Tim McCallum  
Principal
