ERSKIMOEES - MOVEMBER

As part of our collegial effort to support men's Health issues, our staff—The Erskimoes—have again united to grow beards and moustaches to raise funds. For the first (nervous) time this includes me as well.

We are seeking your assistance if possible to donate and make this event a success at our school and beyond. Our link to enable you to support us is:

If you are able to assist, please do so. No matter how healthy we may feel, men need our support. In recent days, we have also addressed our students and explained the charity to them as well.

Below are some of the 30 staff (Mssers Payne, Roffey, Tilley, Kelly, Sabaratnam, Anwar, Bisoglio) who are participating in our Movember Fundraiser.

Thanks again and all the best!

Regards, Tim McCallum (Principal)
