ERSKINE PARK HIGH NEWSLETTER BY E-MAIL IN 2009 AND BEYOND

From 2009, the whole school newsletter (compressed in size) will be sent via e-mail to those on our website mailing list. This will replace the traditional methods of publishing our newsletter.

In recent days we have distributed a letter seeking current parent e-mail addresses. This follows our Year 10 into 11 Enrolment Day where parent e-mail addresses were obtained as well.

If you have any friends or relations who are not on our mailing list, can you please alert them to the new means of circulating all of our communication newsletters from 2009? The school is also communicating this message in many different ways as well.

New additions to our mailing list can join it easily by going to our school website (<http://www.erskinparkhs.com.au/>) and clicking on the icon (below) on the lower part of our Home page.

Have a great Christmas and New Year,

Tim McCallum (Principal)
