SPECIAL ANNOUNCEMENT 2012 Tel 02 9834 3536 website: www.erskinparkhs.com.au

NEWSLETTER BY E-MAIL

At Erskine Park High School, parents/ guardians receive **ONE** main Newsletter and **THREE** update newsletters ('ECHO') each and every term.

The whole school newsletter (compressed in size) or a website link is presently sent via e-mail to those on our website mailing list.

This has effectively replaced the traditional methods of publishing our newsletter in print (although some copies are still provided in our school foyer).

The link to our 2012 school newsletters is:
www.erskinparkhs.com.au/news/index.htm

If you or any friends or relations are not on our mailing list, can you please alert them to this means of circulating all of our communication newsletters? The school is also communicating this message in many different ways as well.

New additions to our mailing list can join it easily by going to our school website—www.erskinparkhs.com.au—and clicking on the red coloured icon (below) on the lower part of our Home page.

Click here to receive these via email.

Thanks for your ongoing support of our school.
